	<b>All plants</b> can be viewed and collected from above address			
	<b>All sales proceeds</b> to Charities (incl. SDOS on sales to members)			
	Unless otherwise stated, plants are potted in a bark/NZ sphag. mix			
	For most plants a digital image of flowers is available to view via e-mail on request. Also if nec. a digital image of a plant on offer can be e-mailed.			
	Plants described as <b>large</b> can be divided by buyer, if so desired			
	<b>My culture facilities:</b> All my orchids have been growing in a North facing cool house for the past 3 years min. night temp. set at 11C. Previously plants preferring inter/warm conditions were grown in another greenhouse with stronger light and higher night temperatures.			
	The present, shaded position has had a detrimental affect on some plants
